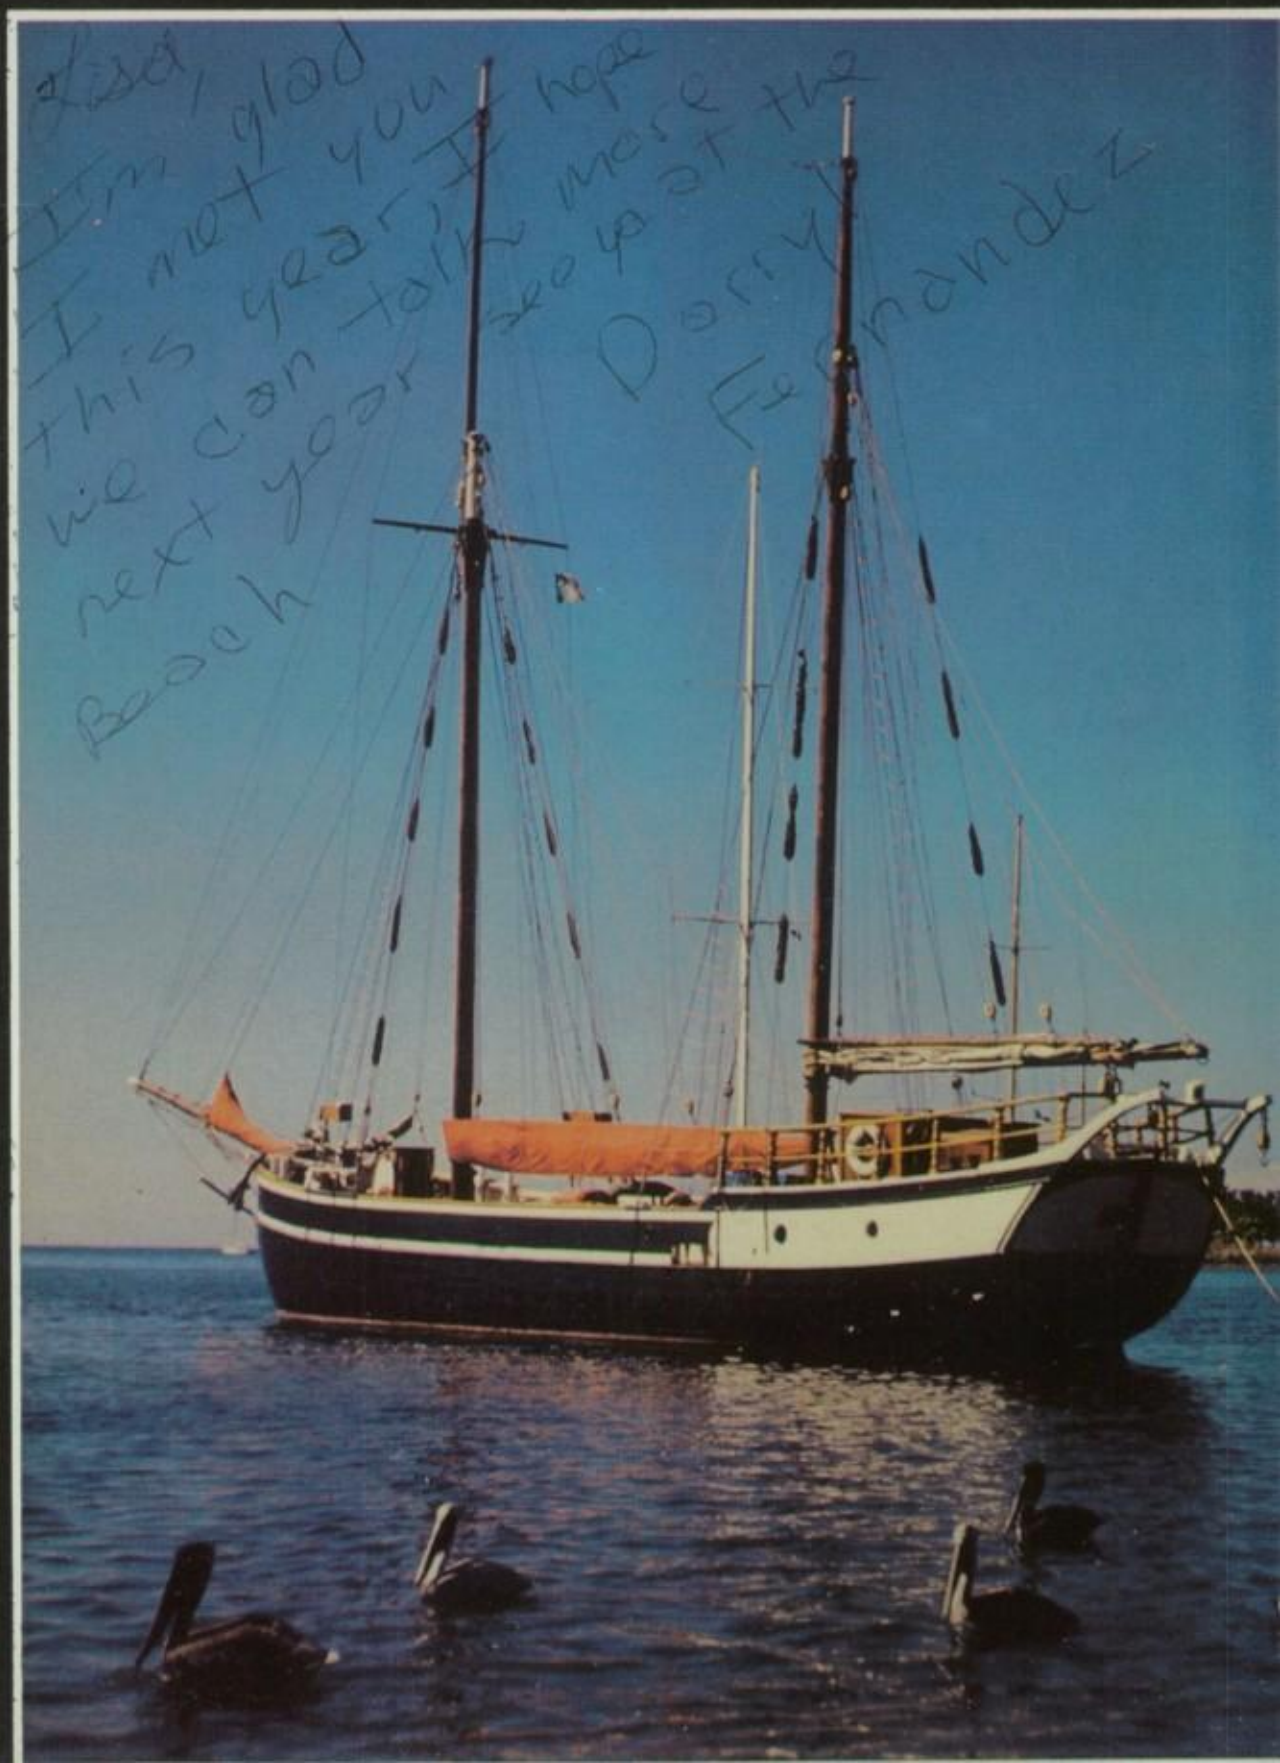
I look to the sea
Reflections in the waves
spark my memory
Some happy, some sad
I think of
childhood friends
And the dreams we had



We lived happily
forever
So the story goes
But somehow we
missed out
On the pot of gold
But we'll try
Best that we can
To carry on

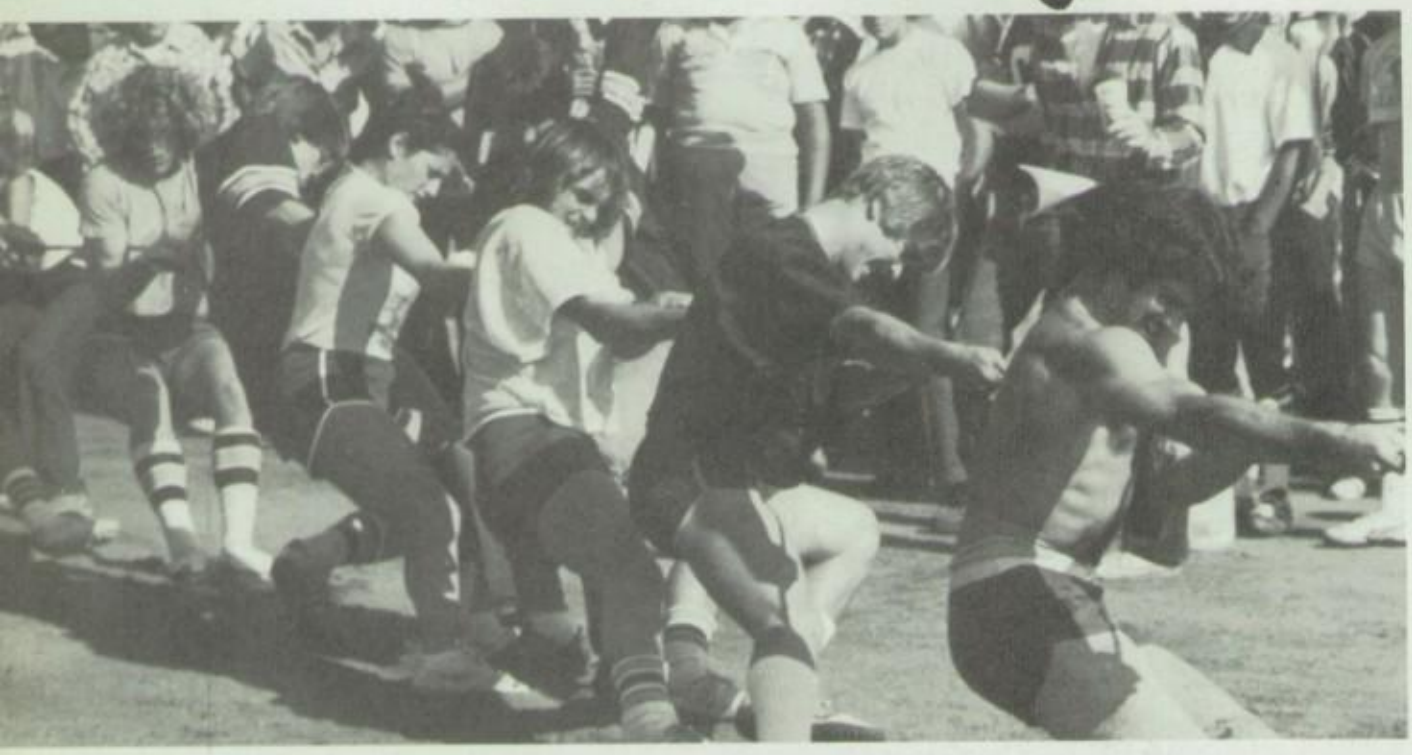
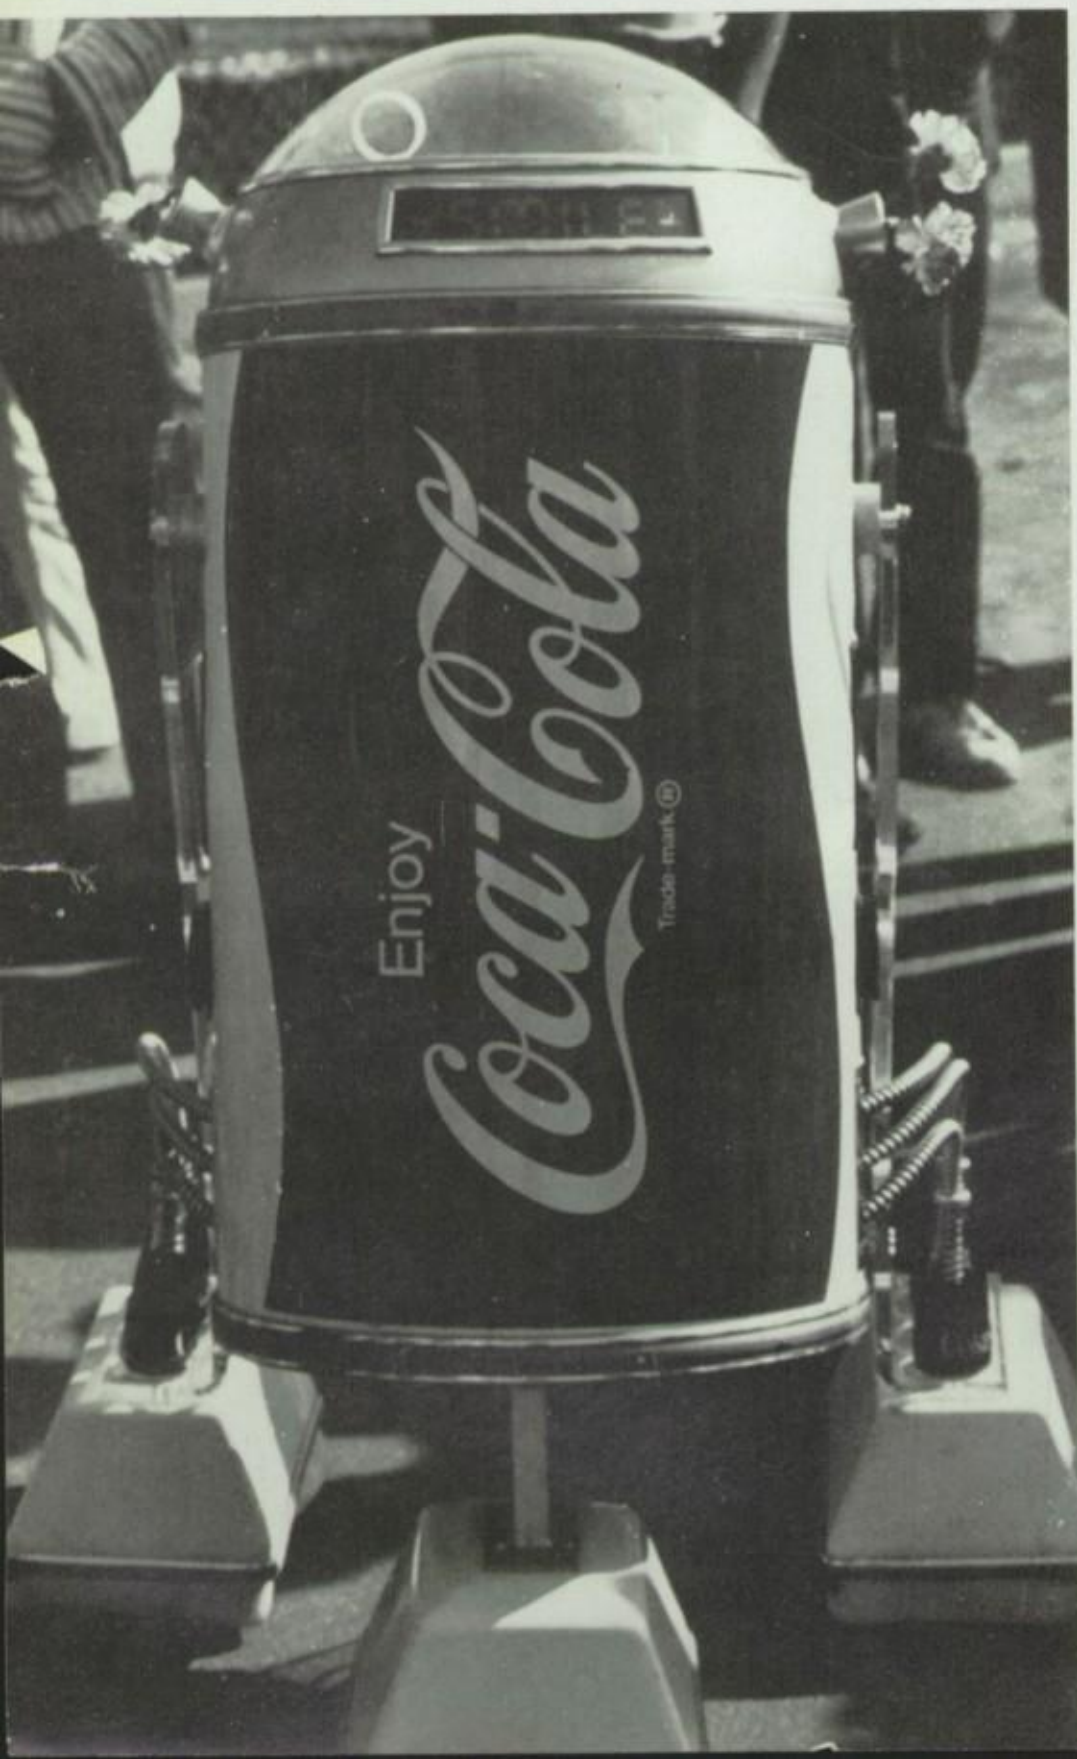
Homecoming says it all



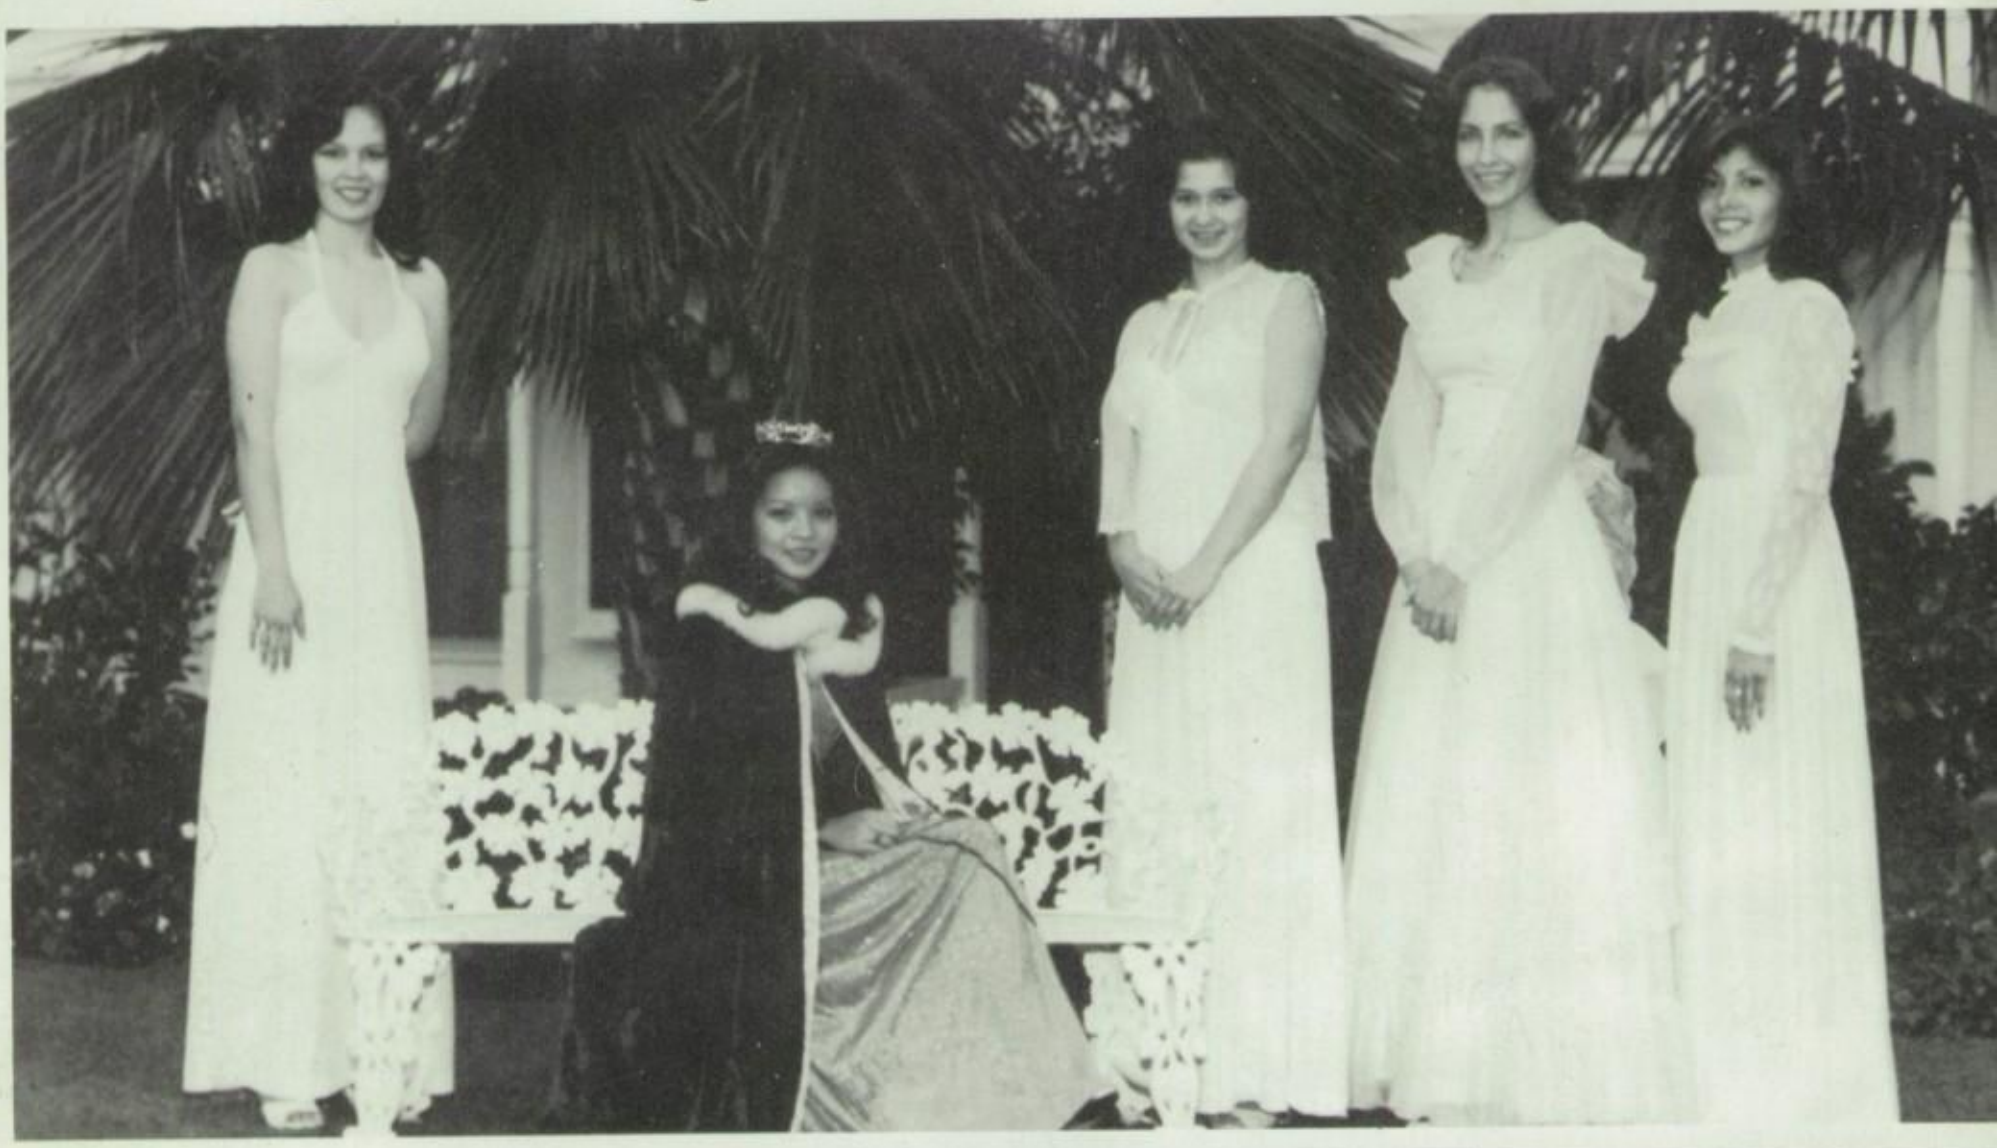


Homecoming week was filled with many exciting activities and events. The auctioning of the Homecoming court, pie eating contest, tug-o-war, and dance, just to name a few.

The highlight of the week was the defeat of the Spartans by our mighty Mariner football team and the crowning of our queen, Mindy Martos.

This event, by far, had turned out to be one of the most memorable ones ever!

The Queen and her court



Princess Blanca Hernandez, has brown hair, brown eyes, and stands 5′6″. Her philosophy is "Don't grow-up too soon — There's no turning back."

Princess Darlene Montoya, stands 5′3″, has brown hair and brown eyes. Her philosophy is "Don't stop 'till you get enough."

Princess Cheryl Goodman has hazel eyes, brown hair, and is 5′8½″ tall. Her philosophy is "You can do anything, if you only try."

Princess Chachi Bojorquez is 5′6″ tall, has dark brown hair and hazel eyes. Her philosophy is "Present contentment is based on future prospects."

This year's 1980 homecoming queen is Mindy Martos. She stands 4'9" tall, has brown hair and brown eyes. Mindy enjoys eating, dancing, playing the piano, drawing, reading on rainy days and feeling happy. She was involved in ASB-Commissioner of Finance, Cheerleading, Pan Asian American Club — Treasurer, dance choreography and CSF.

Mindy's philosophy is: "A man wrapped up in himself makes an awfully small package."

Mindy was escorted by father, Andy Martos.

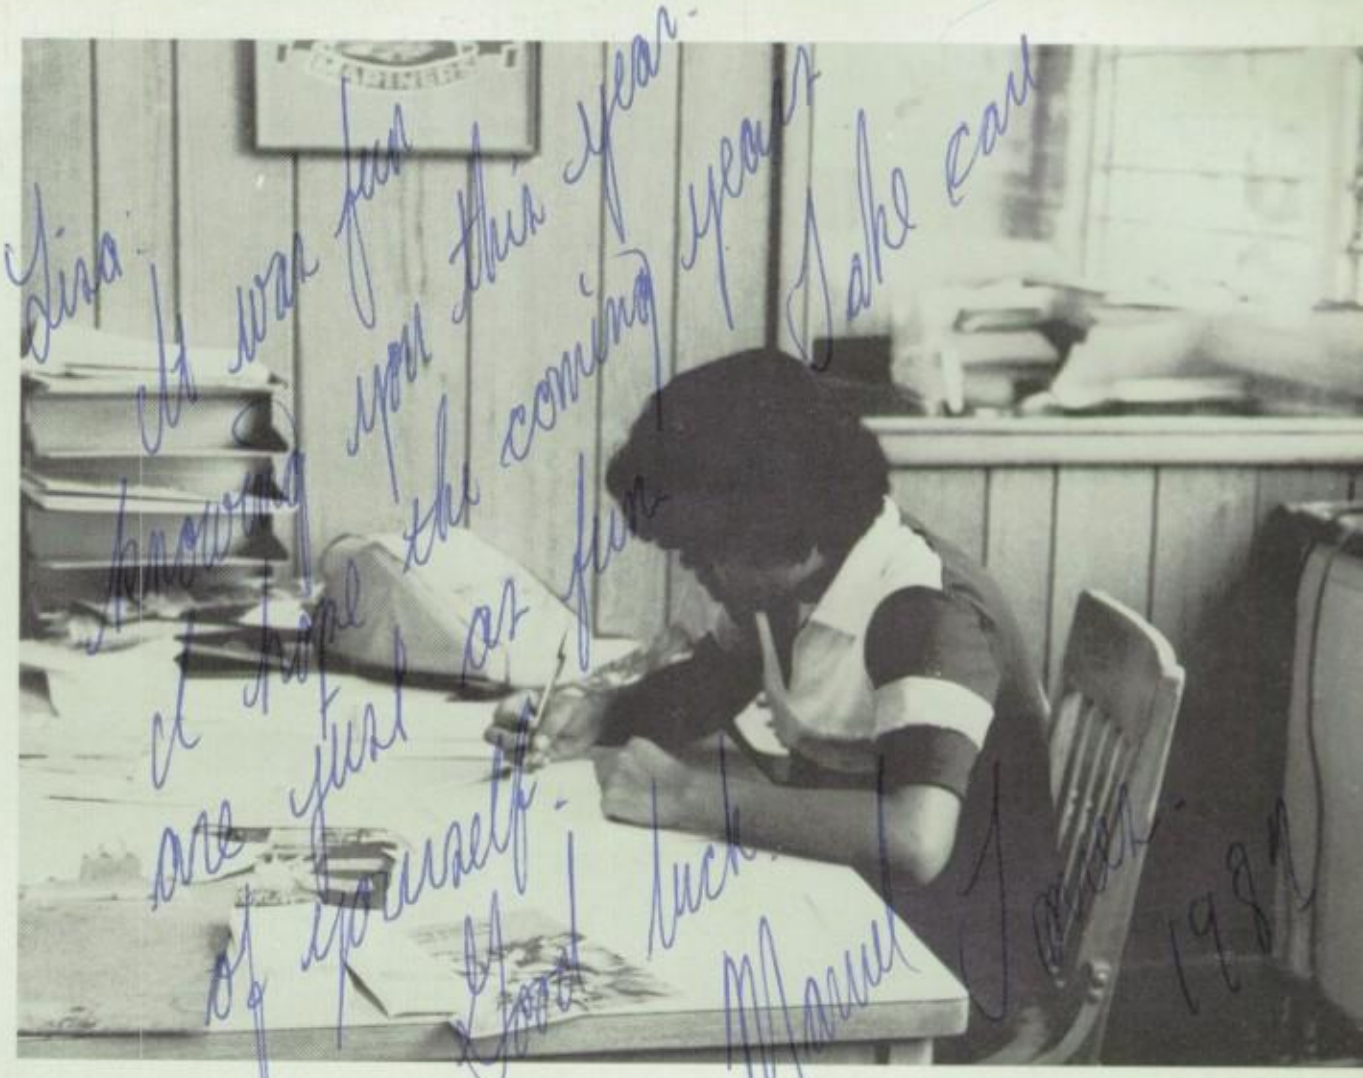
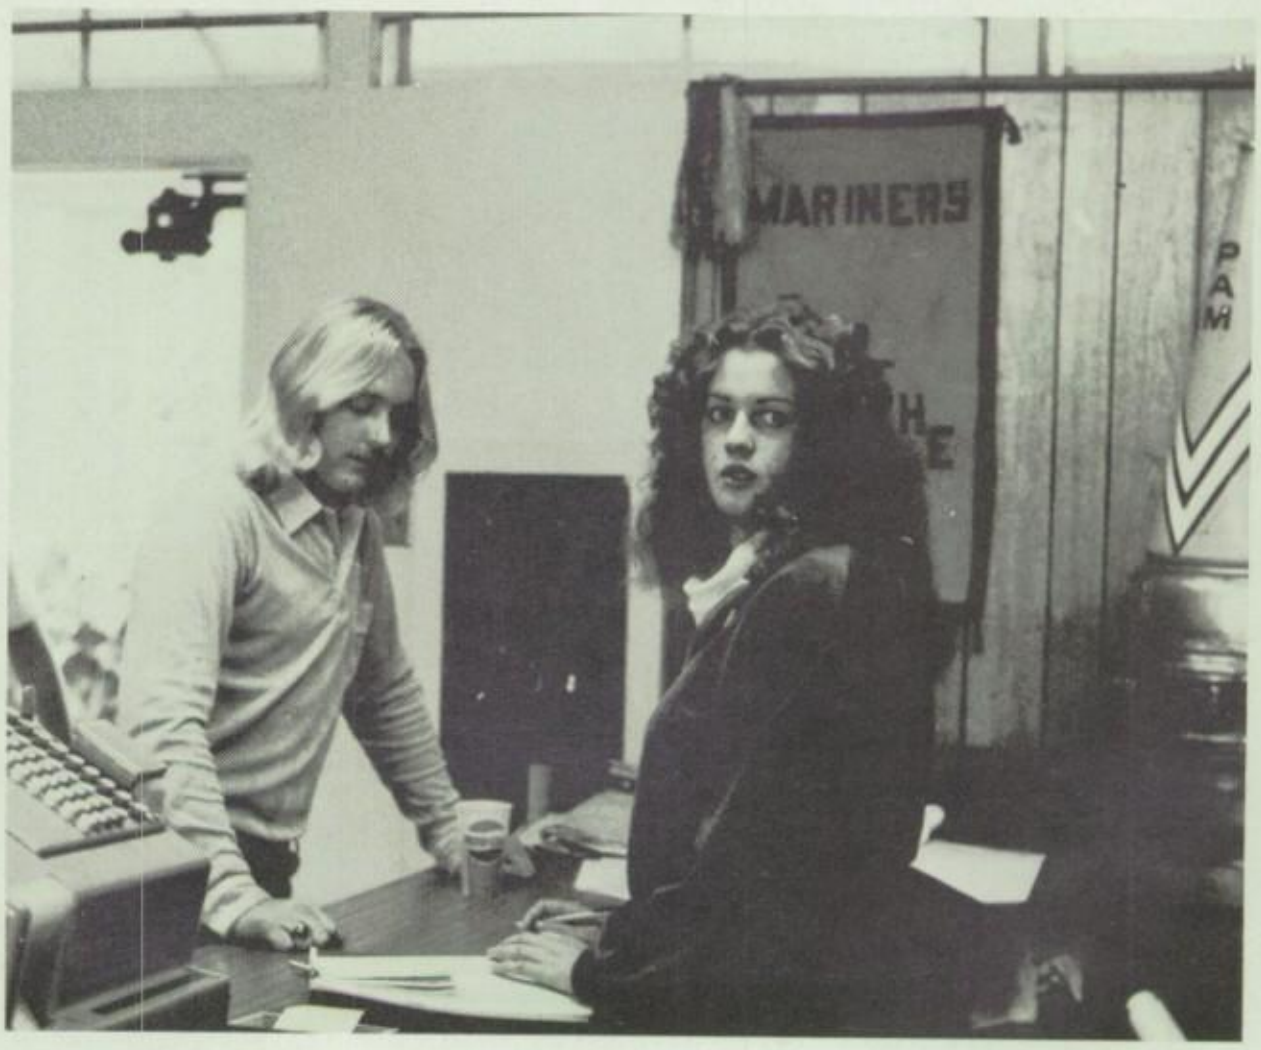
ASB on the go



The ASB cabinet has done an outstanding job in the 1980-81 school year. They sponsored many campus activities which made school a more enjoyable place.

These people donate their time and effort in helping to better the school year for the whole student body. They have done a great job this year.



Lisa, Well let's see what should I write you should know by now your my friend and a X-softball playr. Take care of yourself and be happy. Love/friends

Assemblies

The assemblies of this school year, were ones to remember.

Commissioner of activities, Manuel Torres, had a giant task of finding things to satisfy the many tastes of the students of Mar Vista.

Assemblies held during lunch, enlightened the spirits of the students at M.V. as the long days of school drag on. These assemblies give us students an island in the sea of a hard working day of a mariner.

We thank the A.S.B. for giving us the students of M.V. a break in the monotonous time of studying.

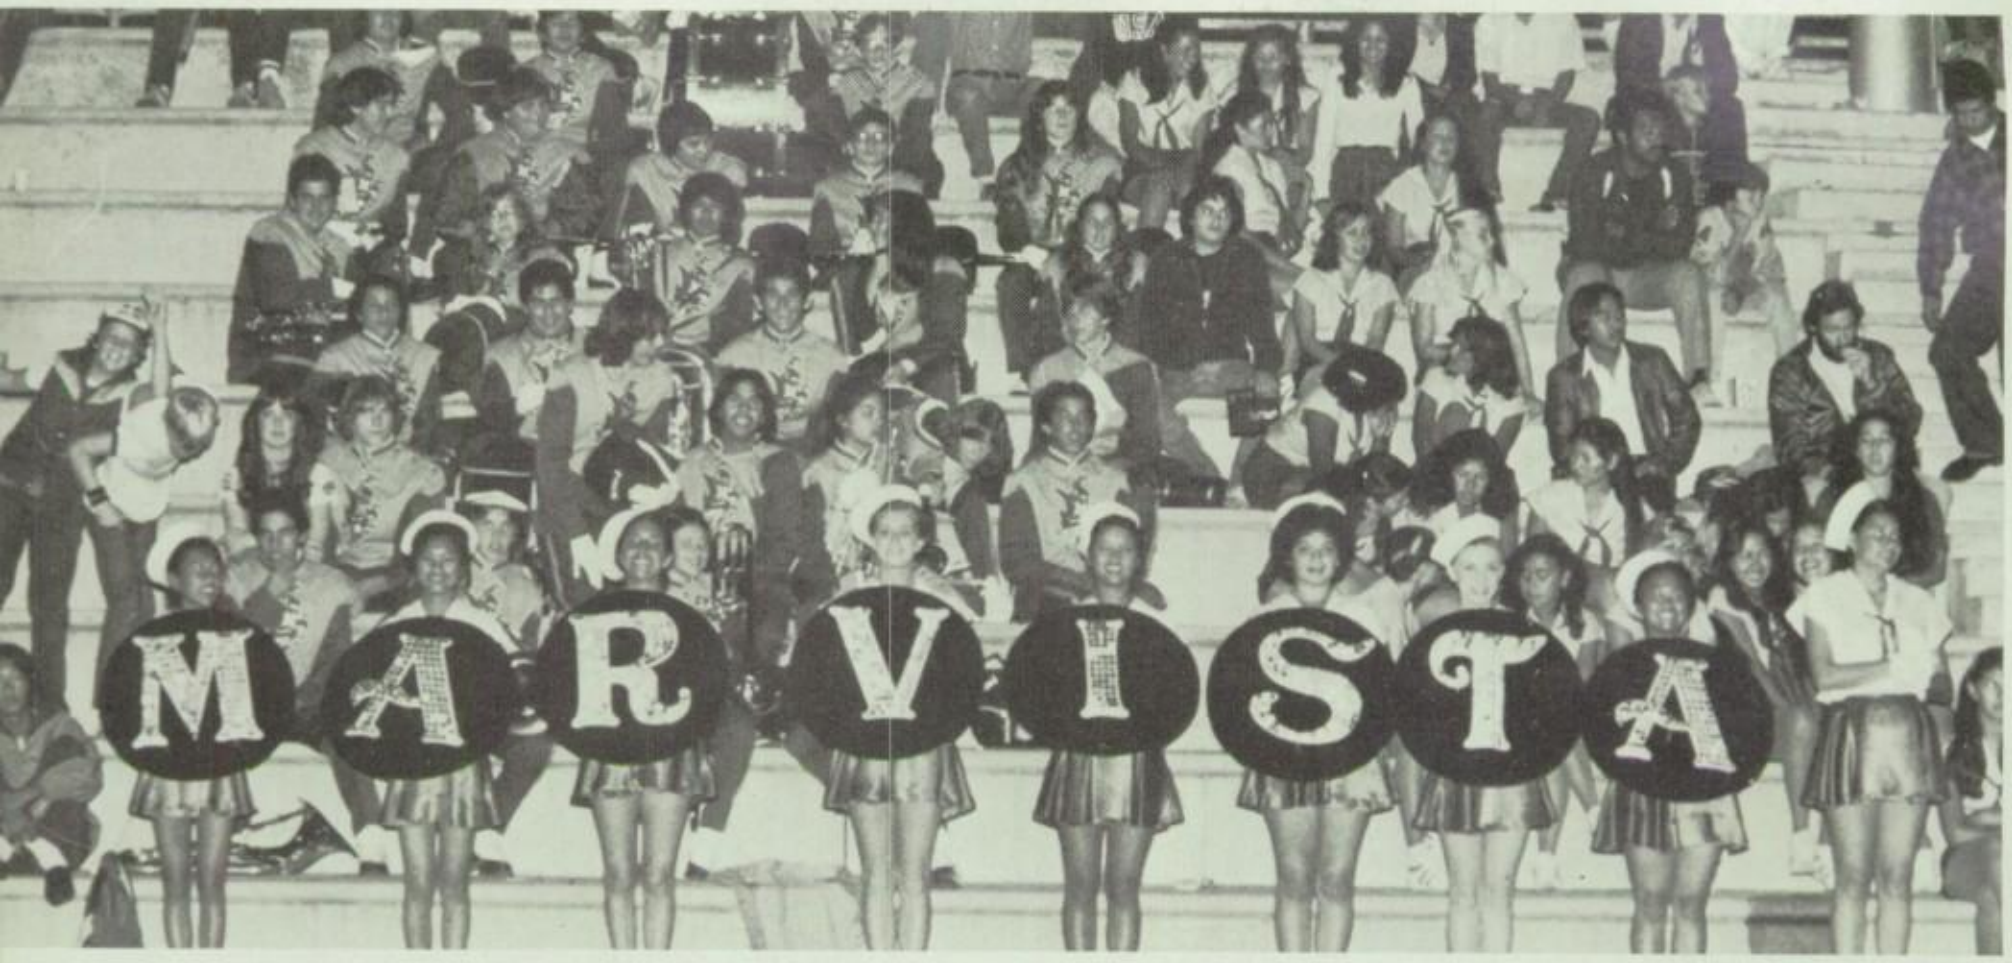
Mar Vista Strikes up the Band

This year's marching band, under the direction of Jim Knox and drum major Arlie Ricasa has really tuned up impressively.

Along with performing at all our football half-time shows, the band has participated in many pageants and parades throughout the year, such as: Chula Vista Band Review, Band Pageant, Fiesta de la Luna Parade, Oceanside Band Review, MVH Homecoming Parade, and Imperial Beach Whale Watchers Parade.

The band also participated in many concert ensembles, including joint concerts with Mar Vista Jr. and Southwest High School, Annual Solo and Ensemble Festival, SCSBOA Band and Orchestra Festival, and the Annual Spring Concert.

Practice makes perfect



Mar Vista's inspiring Flags and Letterettes have worked very hard this year. Each one has given much time and effort beyond expectations. They perform in various, parades and rallies. In addition, they help back the football team with their mighty spirit. Many thanks to our girls.

Together

"Together" was the theme of this year's Sweetheart Ball which will long be remembered. The evening was highlighted when Tami Martin was crowned queen. She was elected by those who attended. Tami is 17 years old and stands 5'4" tall. She has dark hair which highlighted her lacy satin dress.

This year's Sweethearts Ball was held at The Performing Arts Convention Center. We'd also like to give big thanks to Girls' League who did a wonderful job of organizing the dance.

Princess Letty Alvarez is 17 years old and stands 5'6" tall. She has brown hair and green eyes. She has been involved in Dance Choreography 80-81. She enjoys off-roading and going to the beach. Her escort was Nick Gubitosi.

Princess Jean Dodds is 18 years old and stands 5'5" tall. She has light brown hair and brown eyes. Jean has been involved in both Cheerleading and Dance choreography. She is the editor of the Annual Staff. Her escort was Chuck Quillin.

Princess Celeste Dominguez is 17 years old and has long light brown hair. She stands 5'7" and has blue-green eyes. She has been involved in both Cheerleading and Dance Choreography for 3 years. Her escort was Ernesto Valadez.

Princess Virginia Morton is 18 years old and stands 5'7" tall. She has wavy brown hair and blue eyes. She enjoys attending youth fellowship meetings. Her escort was Doug Baily.

The Log Staff

The rush of bodies and shuffling of papers heard during sixth period, may have been coming from the annual staff room as they busily hurried to finish layouts and meet deadlines. This years annual in the minds of the staff, may be one of the best ever produced by Mar Vista.

A special thanks goes to all those people who helped in making this years annual a success.

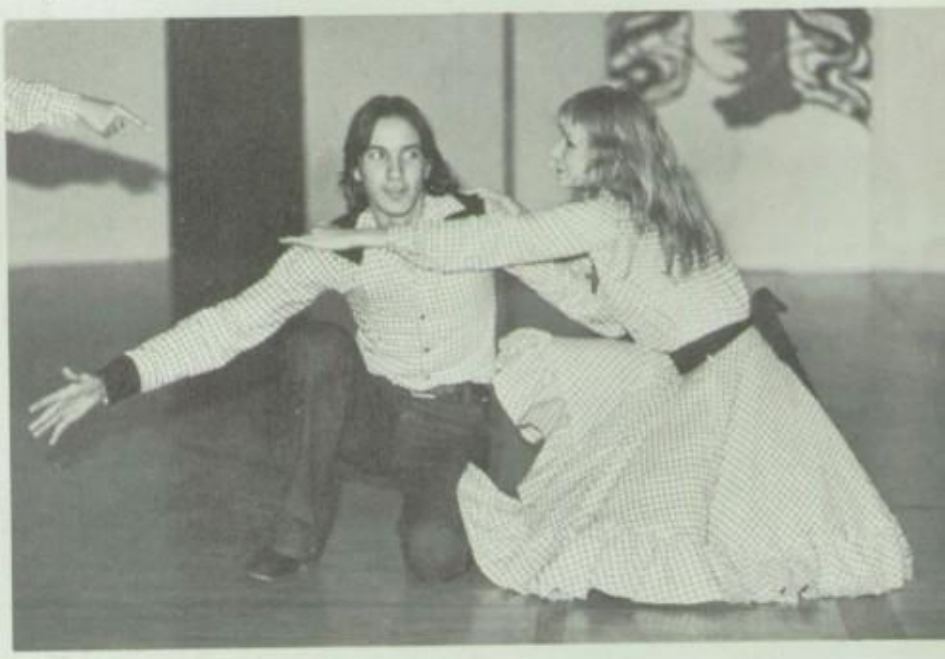
Dance, Dance, Dance



"DANCE, DANCE, DANCE" was this year's dance choreography show. The theme was "Godspell". The cast of the show consists of approximately 40 females and 4 males.

The dance show was performed on Jan. 21, 22, 1981. Not only did the show perform here in Mar Vista's gym, but they also performed at other schools and received a tremendous response. All of the dancer's time and effort proved to make an excellent show.

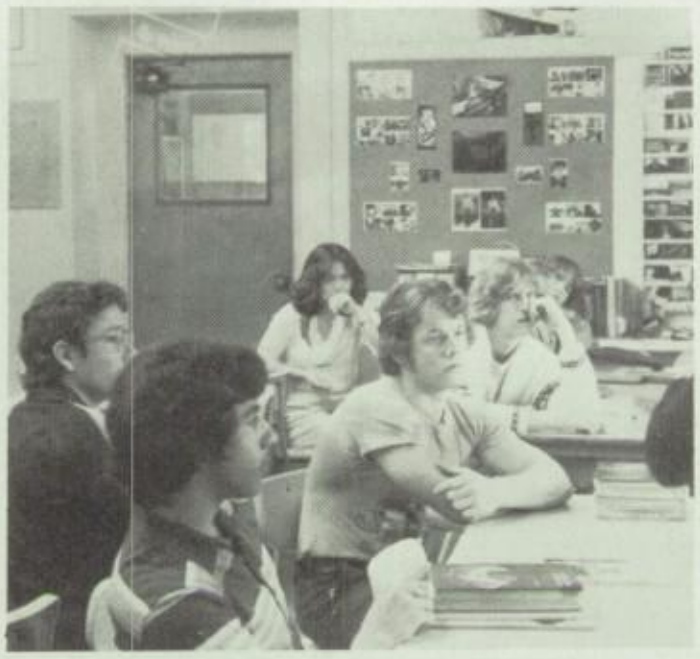
Foreign Exchange Student

Many people may not know it, but we have a foreign exchange student. She is from Germany and her name is Ulrike Bressel. Ulrike is 17 years old and a senior at Mar Vista. She has been with her host family, the Simpsons since October and is returning in July. Ulrike's interests are Drama and socializing with people. She wants to thank everyone for making her stay fantastic.

Career Center



This year at Mar Vista High we have a new advisor in the Career Center. His name is Jack Stro.

He's been a great help to all the students by advising them and helping them get scholarships and financial aid for colleges. Along with Mr. Stro are peer advisors who also help students with their future.

The cadets have a female color-guard team and a male drill team which represents the school in parades throughout the year.

The Sea Breeze staff has gone through another year of fine workmanship. They hustled themselves to put each and every Sea Breeze edition together with great care and responsibility. Making a perfect issue that informs the students of all the sports and other interesting happenings.

Varsity and J.V. teams work many hard hours getting ready for the games. We hope that next years teams will put forth as much effort, hard-work and will try their best as this years team.

Mariners Racquet

The girls' varsity tennis season was highlighted this year by several firsts. Dating back to 1974 when girls' participation in Metro League competition began no Mar Vista team had beaten any team by sweeping all doubles and singles matches . . . until this season. Many returnees have contributed this season to continue what began with last year's fine performance and has carried over to this season. 1st round of play: C.P. 14-2, S.W. 7-9, Cor. 3-13, Mont. 9-7, C.V. 7-9, H.H. 3-13, Su. 16-0, Mar. 11-5.

JV pins down a great season

The J.V. Wrestlers did an excellent job representing Mar Vista this season.

The season started off with high hopes as the matmen rolled over their first two opponents; Bonita and Motgomery with impressive margins. Their ability and status virtually gave them their victories.

Wrestling is a sport that thrives on individual performance; and the performance of our J.V. wrestling is one to be commended!

This years varsity baseball team accomplished many things, both on and off the field. In per-season, the guys and some girls from the baseball backers sold coupon books, and sponsored a dance. The money from these fund raisers went to the new dug outs on the varsity field. Many of the people involved worked long hours, on many weekends to get the dug outs finished before the first ball was pitched to start off the season.

The team accomplished things on the field, as well. With hard work and a lot of dedication, the new and the old members worked to make a great team.

Good luck goes to all those future varsity baseball players.
